MILO CRICKET

The students in Years 3-6 had a busy day last Friday at the Milo cricket in Corowa. The students varied in their responses to the day. One student said it was the best school day for the year. Other students said it was better than they thought it would be and that it was fun.

HOW2Learn Training

I will be attending my final training days for HOW2Learn in Wagga this Thursday and Friday. I will be reporting on our progress implementing the HOW2Learn strategies so far. Students in years 1-6 were surveyed on Monday on how they view learning within the classroom.

Mrs Sharp, Miss Filiponi and I joined with staff from Corowa South Public School last Tuesday afternoon for more professional learning about HOW2Learn. We are currently assessing our school culture. In our next module we explore how to develop growth-minded learners and the impact of different types of praise on students.
