Art Day

Reflections – Art Mural Day
On Friday Eddy Harris came with Annie Piggin to help us work on murals. These murals are to be used on one of the Safeway walls. Local artists, schools and people each are allocated one or more murals. We worked on four. We had neutral colours as well as bright ones. Eddie drew animal tracks on the murals and we painted them white. Then we used different colours to paint dots around the tracks. I will be excited to see our work on display.

Matilda - Year 5

On Friday a man called Eddy came to our school so we could paint boards for the Corowa Safeway mural wall. The school went in groups of eight and had two hours each. We painted on a black board with dot paintings, we also painted some kangaroo, emu, echidna and ibis foot prints in white. A lady called Annie Piggin was also helping us.

Adelaide – Year 3

Paul Kelly Cup

Last Friday Alex and Ryan joined with students from Corowa South Public School to participate in the Paul Kelly Cup.
On Friday Alex and I went to the Paul Kelly Cup. On the way Alex and I saw the Tilda twins. Once we got to the ground we waited for Corowa South. While we waited Mrs MacDonald gave us Corowa South t-shirts. Our first game was against people that looked like Saint Kilda. We lost that game. In our second game we versed Lavington. In that game I scored two goals and we won that game. In the third game we versed Hume, I scored one goal and we also won that game. In the last game we versed Corowa Public, I scored a point but we lost. Over all it was a good day.

Ryan - Year 6

The Paul Kelly Cup was fun, we played four games, won 2, lost 2. We started badly and as we warmed up we got better. Ryan and I were ruck and forwards. We both kicked three goals and one point. I stopped a goal on the line. In our last game we lost to Corowa Public, We were versing Mrs Black’s son and the Tilda’s twins. I got told I was doing well taking marks, shepherding, tackling, winning rucks and scoring. It was a very fun enjoyable day.

Alex – Year 6

Musica Viva

‘The Chambermaids’ concert was held last Thursday 21 May at Mulwala. We had been learning about the instruments used by this group in our lessons with Miss Filliponi.

Last Friday we had a special art day, Eddy came with Annie Piggin. We had to paint panels in patterns for the Safeway building. Eddy drew the animal prints on the panels and we traced them with white paint, then we dotted all around them in different patterns. I mostly did swirls with the dots. It will be fun to see it displayed on the Safeway building. I had lots of fun.

Clancy – Year 4

Reflections of Musica Viva at Mulwala on page 2
We went to Musica Viva. We went to Mulwala to watch the Chambermaids. Savernake, Corowa South and Mulwala came too. They sang, 'Turn the world around' and 'Tom cats'. The musical instruments were the bassoon, flute, oboe, French horn and clarinet.

Sommers – year 2

Yesterday we went to Musica Viva at Lonsdale Park in Mulwala. It was about musical instruments. There was a bassoon, an oboe a flute a clarinet and a French horn. One of the girls showed us how to make a French horn with a hose.

Imogen – year 2

This week we went to Musica Viva for a school excursion. The people that were playing are called the Chambermaids, they all use instruments that you blow in. They asked us questions, they played the flute, the oboe, the bassoon and the French horn. They did puppet shows about two cats. Some people got to sing and dance. After the show we went to the park for lunch then went back to school.

Lachie – year 3

Science

Last week the Infants students had some unexpected visitors. The heavy rain brought out the snails in the Strachan garden. The students were fascinated by the snails and will be learning more about them this week.

Savernake Athletics

Transport arrangements and sporting rules have been attached to this newsletter. The backup date for the sports should they be postponed is Monday 1st June.
