Ladies Lunch
We had a wonderful group of ladies at our Ladies Lunch last Wednesday. The students had been busy preparing the invitations, decorations, food and entertainment ready for the day. It was lovely to have a mixture of familiar and new faces among the 38 ladies who attended.

Shamini Flint
By junior reporter- Alex Lavis

On Thursday 28th May we travelled to Corowa Library for an author talk with Shamini Flint. She was telling funny jokes. She was talking about how she became an author by writing a story for her daughter. She told us about some of the books that she had written. I had read one of her books from the ‘A Diary of a……’ series.

Shamini was talking about her daughter who is really good at soccer. She played against Sweden. She had kicked seven goals in total. It was Shamini’s dream to be a soccer player so she trained her daughter every day for two years.

Shamini has written 45 books in her career. She had a lot of different books from kids ones to teenagers books. I really enjoyed meeting her. I would like to read more of her books.
