Beauty and the Beast Performance- Oaklands

Thank you to Ms Scott and Mrs Clifton for providing transport to ‘Beauty and the Beast’.

Some junior reporters recorded these thoughts:

Yesterday the 11th of August at 9 o’clock, our school went to Oaklands Hall to watch a play by the Alpha people, called ‘Beauty and the Beast’. ‘Beauty and the Beast’ was a very well done play. The characters were; Mrs Pot, Gaston, the witch, Luminere, Jiggens, Belle, the clock, Scooter, the wolf and Belle’s dad. Luminere and Jiggens were played by a natural comedian called Lachlan. Lachlan talked about believing in yourself and to be what you dream to be.

I really liked ‘Beauty and the Beast’ because the people included you in the play.

The beast was in the castle. He was mean.

My favourite actress was Belle because she was very pretty. She gave me a high five at the end.

Zone Athletics- this Friday

The Smalls Schools Team is required to supply one timekeeper throughout the day. If the parents who are attending could help for one hour each it would be appreciated.
Mrs Orr from Savernake Public School will be the Small School Team manager supervising the students. Look for the red Savernake shelter when you arrive at the carnival.

Bike Activities at LPS!

The students carefully demonstrated their riding skills in order to show that they should receive their bike licenses.

They needed to complete the obstacle course without running into the cones, skipping ropes or cricket stumps.

The students have had such a wonderful time riding their bikes that we have decided to extend bike activities into next week. The last day of bike activities will now be next Thursday 20 August. Bikes can be collected from Thursday afternoon onwards.

Life Education Van

The students also enjoyed learning about healthy issues inside the Life Education Van yesterday. Deb commented positively about the students’ answers and behaviour.

The Infants students were finding out about; choosing healthy foods, what they can do if they are around people that smoke to avoid breathing it in, and ways to discuss their feelings (happy, sad & angry faces).

In the primary session, the activities focused on information about drugs, what medicines are and what are their uses and how they affect our bodies. The session also discussed that who we are is what we feel, do and think.
STUDENT OF THE WEEK

Swan Hill Excursion- Years 3/ 4
This excursion is getting closer! Only three weeks to go. Students will need to pay $50 towards this excursion. This can be paid in a lump sum or in instalments before the excursion. More details about what the students need to bring and a permission note will be sent home shortly. This excursion is being organised by Corowa South staff.

Book Week Costumes
We will be having a dress up day for Book Week. This will be in Week 7 (August 24-28). Costumes do not have to be elaborate.
