Science Week
This week is Science Week. Today the primary students attended workshops at La Trobe University with Mrs Strachan.

The Infants students are learning about sound and light this term.

We put a phone in a jar. On the top of the jar we had to put some gladwrap. Over the gladwrap you had to put a rubber band. On the gladwrap you put some rice bubbles. Then you ring the phone and the rice bubbles will bounce.

Tegan

We did an experiment on sounds. We put a jar on the table then we put a phone in it. We put plastic over the jar. Then we put a rubber band to hold it. We put rice bubbles on the plastic. We rang the phone in the jar with another phone. Then the sound vibrated and the rice bubbles moved.

Sommers

In their science lessons, the Primary students have been studying eucalyptus trees. They have collected seeds and planted them under a variety of conditions to see how many germinate. They have looked at the different parts of the flower. This week they were investigating the role that bees play in the pollination process.

Zone Athletics Carnival Report
On Friday the 14th of August, Jade, Imogen, Clancy, Ryan and I went to the Zone Athletics Carnival in Finley. It was a very quick carnival with different events at different times for the different ages. Ryan went in shot put, discus and long jump. Clancy went in 100 metres and 200 metres. Jade went it 100 metres and Imogen did too. I went in 100 metres, 200 metres, high jump and discus. I won my discus event and am now going to the Riverina Carnival. We all had good results and enjoyed the day.

Bike Activities at LPS!
The students have enjoyed having their bikes at school to ride.

The last day of bike activities will be this Thursday 20 August. Bikes can be collected from Thursday afternoon onwards.

Welcome
Lowesdale School would like to welcome the Gadd family to our school. Our new students are Stephanie in year 1 and Bradley in year 2. Their parents are Sally and Mathew.
HSIE
On Monday, Years 3/4 interviewed Lee from Sportspower as part of their HSIE unit. She informed us about how the shop works and what they do. She told us where they store their stock, how they work out pricing. Lee also discussed the ages of their typical customers.
By Clancy Tomlinson

STUDENT OF THE WEEK
is Clancy Tomlinson
For displaying resilience and a positive attitude.
An interview with Clancy
Favourite wild animal: zebra
Favourite game: horses
Favourite number: 13

100 nights: Eric
Congratulations!

Book Week Next Friday 9am!
We will be having a dress up day for Book Week. This will be on Friday 28th August. Costumes do not have to be elaborate. We will be having our parade at 9am.
Spectators welcome!

Sports - Gymnastics
We have two more weeks of gymnastics lessons left. The lessons are on Wednesday at St Mary's in Corowa from 1pm until 1.45pm. A parent car is needed to help with transport this week.

Friday Hot Lunches
Last Friday, the infants students cooked their lunch with Mrs Black and Mrs Strachan. They made mini pizzas and apple muffins.
