Water Day at Mulwala

The K-2 students had a lovely time at Mulwala Public School last Friday. They participated in a range of fun water play and social activities.

Swimming Carnival

The weather was beautiful for the swimming carnival held at Yarrawonga Pool. The students who were not confident swimming a lap of the pool enjoyed participating in shorter 10 m races and novelty events. The noodle race was a favourite.

Congratulations to all the students who entered the 50m races. It was a new experience for Tim and Tegan. Tim went in freestyle and breaststroke races, while Tegan entered freestyle, breast stroke, backstroke and even tried butterfly.

We haven’t received final results or certificates from the carnival yet.

Holly Arnold was senior girls champion and will receive a medallion shortly. We will put a photo of her in the newsletter of her when it arrives. Well done, Holly!

A big thank you to Bec, Janelle and Kylie who provided assistance with transport and supervision on the day. The students are to be commended for their behaviour and the encouragement that they gave to each other during the carnival.

Friday Lunches- cooking this week

Sally will be preparing lunch with one of the cooking groups this week. Students will need to bring their $2.

If you are available to assist with Friday lunches in the next few weeks, please contact the school.
