**Tennis Lessons**
The students had their second tennis lesson this morning, quite warm but we could not postpone this, so lots of water was consumed to keep fluids up. Please remind your children to bring a water bottle to school every day.

Students have been practising before school can you spot the ball?

**Library- Wednesday**
The students have been using the library this week at morning recess and lunchtime as a place to keep cool. The library fortunately has refrigerated air conditioning and is much cooler that the classroom which struggles on these hotter days to cool the teachers and students.
