Zone Swimming Carnival
Tim, Adelaide, Matilda and Holly participated in the Zone Swimming Carnival at Cobram last Friday. They joined students from Savernake and Urana as members of the Small Schools team. Holly came third in the Girls 12 years 50m breaststroke.

Lowesdale School’s History
Stage 2 students have been undertaking a history unit this term all about ‘Their Community- Lowesdale.’

They have been looking at sources of history available to them in and around the school grounds and buildings and would love to hear from any interested community members who were maybe former students of Lowesdale school, a former teacher, or a parent who went to the school.

If this sounds like you or someone you can contact, you may have photos, memorabilia or verbal recollections that you would be willing to share with the current Lowesdale School students. We would be very appreciative of anyone who can assist us in finding out about things in the past. Please contact the school if you are able to help out. Thankyou.

2016 School Plan
At the P&C meeting I explained that we are evaluating our progress on the 2015 school plan as we prepare the 2016 school plan. Parents were given surveys as part of the consultation process to collect feedback and ideas for future improvements. A copy of the survey has been attached to this newsletter for the families that were not able to attend Friday’s meeting.

Mrs Strachan

P & C AGM
It was wonderful to have 11 out of the 14 school families represented at the P&C meeting last Friday afternoon. Office bearers for 2016 will be:
